Customer Reviews

We had to learn everything the dull way. I am definitely passing these on to my great grandkids. My great niece and great nephews like them and I think they are fabulous. I am learning new things every day as a shut in old granny....or at least a lot of things I forgot because I learned them the old boring way. Peter F. Copeland is a genius.....

We use these DOVER coloring books to supplement our homeschool. Love the detailed pictures and the story lines included. Very educational as well as fun to color.
