Pimsleur Russian Quick & Simple Course - Level 1 Lessons 1-8 CD: Learn To Speak And Understand Russian With Pimsleur Language Programs

Synopsis

The Pimsleur® Method: the easiest, fastest way to learn a new language. Completely portable, easily downloadable, and lots of fun. You™ll be speaking and understanding in no time flat! This course includes Lessons 1-8 from the Russian Level 1 program - 4 hours of audio-only effective language learning with real-life spoken practice sessions. Each lesson provides 30 minutes of spoken language practice, with an introductory conversation, and new vocabulary and structures. Detailed instructions enable you to understand and participate in the conversation. Practice for vocabulary introduced in previous lessons is included in each lesson. The emphasis is on pronunciation and comprehension, and on learning to speak Russian. The Russian Language Russian, one of the six official languages of the United Nations, is the official language in Russia, Belarus, Kazakhstan and Krygystan, with an estimated 150 million native speakers around the world. Pimsleur's Russian uses speakers from Moscow and St. Petersburg, which accounts for slight pronunciation differences between speakers, but accurately depicts contemporary spoken Russian. Tech Talk - CDs are formatted for playing in all CD players, including car players, and users can copy files for use in iTunes or Windows Media Player.

Customer Reviews

I already speak English, German, French, Italian, Spanish, and have studied Latin. I bought a Berlitz book some years back and tried to use it to study Russian but soon gave up. It was a good thing, too. The Pimsleur course taught me that the Berlitz book was teaching the WRONG

PRONUNCIATION for at least half the words. After 4 days with the Quick and Simple set of CDs, I was able to invite a Russian girl to go to a hotel with me. And she said I spoke Russian quite well. That was after 4 days with the Pimsleur course! I ran out and bought the 30 lesson course. Of course! But I do have a few questions. Why in the Quick and Simple course do they pronounce "wine" as "vinnAH" and in the Russian I course do they pronounce it as "vinnOH"? In the Q&S they say "wee-pit" for drink, and in the Russian I they just say "pit". Why? Seriously, y'all quit arguing over whether Pimsleur has a better linguistic theory, and just get the CDs and start listening to them. I did it in the car, and it works fine. Pretty soon you are answering the questions all by yourself and shocked at how fast you are learning. Buy a Russian dictionary so you can look up some of the words that may be hard to hear well because they have too many soft consonants, such as the word for "beer". Then, after you have gone through all those lessons, you can tackle a heavier-duty study of grammar and vocabulary. But meanwhile, you can make Russian girls giggle and maybe even go out with you.

I am having a blast learning with this program. It is very repetative and that is crucial to having the information STICK! I have learned that some of the words used are words "no one uses" from my Russian family members. That was a bummer after I learned to say it. All in all I am learning and the speakers on the Cd are very clear talking you through each part of the new and foreign words.

Pimsleur language CDs are always carefully designed to get you up and running with the least difficulty. Quick & Simple Russian is no exception. The Russian speakers are very good. The tried and true method of presenting words and phrases you need to navigate as a tourist make learning the basics nearly painless.

Da. Pimsleur has worked for me...especially my older brain! Would be worth trying other additions. Good price and prompt shipping too.
