Customer Reviews

This is just the book I've been looking for. Over 500 Awesome Hints & Tips - Mineguides: An Unofficial Minecraft Guide by Terry Mayer is packed full of everything I needed and wanted to know. Great tips to improve my game, cool facts and useful tips. I also really like the complete list of cheat codes and tons of other stuff included. I wish I had this sooner. Great! Get it.

Your complete ID list's name got some mistakes, example like bottle "O" enchanting you write it bottle of enchanting . Another mistake is crafting, you didn't let the readers see the 3x3 crafting grid . But your book really help me a lot!

has lots of useful tips, like a complete list of block ids and cheats. a must get for any minecraft player, new or experienced.

A great book that has tons of details about this game. Good for people who don't know much about this game.
