Customer Reviews

i got this book as a gift from my mother; i was expecting facts that i didn't think i would know. most of the facts were either incorrect or just plain made up. plus some information was not up to date; i understand that it might have been published before some of those things happened. i do not recommend this to anyone, unless you want someone to have false information.

My daughters are 1D fans and they were really, really disappointed with this book...

This is a cheap pamphlet not a book. Disappointing

This book is a complete disappointment to my daughter. The author needs to check their info..."facts" in this book are wrong and for the money, the size of this pamphlet is a ripoff. Sending back to tomorrow...

this book was absolute hogwash. for example,liam is dating cheryl VF and there was nothing between him and sophia smith. jenny kelleet obviously hasn't heard of one direction before. she missed out on all the important info. above all, how can 1d approve of publishing this book? as a hard core 1d fan, i was devastated and upset as i had begged for my mom to let me buy this. and i would also like to warn all other directioners against buying this thing. we deserve better than this, guys!(no hate on, j. kelleet. just telling the truth)

It's Louis William Tomlinson not "Louis Troy Tomlinson" plus it got their parents and siblings wrong. DO NOT BUY THIS BOOK! Facts are either wrong or made up. This is not a book. I read it in 10 minutes.

A lot shorter than I had expected. Had some great facts but mostly stuff I already knew.

Initially I thought this was going to be an actual book, like a novel, but instead I pay 10 dollars for something smaller than a children's storybook. It has basic facts that you can easily google, like their height and hometown, and there's a "quiz" and word search. At least my daughters' friend loved it.
