Customer Reviews

I would recommend this to anyone trying to learn French. I'm a beginner, but I can speak some French now! And when I'm finished with this package, then I can graduate to the advanced stage. With Berlitz you don't have to sign onto their website before you can actually begin learning and be charged more money for the online classes. The manual and the CD's that come with it works perfectly and at a reasonable price. Don't get the high priced stuff. Save your money and learn with Berlitz.

A good tool to have, but not for new beginners. However, listening is the key to comprehension. With time to spare, you can accomplish you goal.

I was very happy with the very quick turn around from this seller. They processed my order and mailed it out immediately. Great service and quick response
