Customer Reviews

I think this is one of the best books Mr. This ender has ever made!! I loved this book sSo much. I think it is great for minecraft readers that like mystery and adventurer and dogs. So I give this book five stars. ^

steven and his dog Shelby are playing around his house and then Shelby got cut by an endermen and is now part endermen Steven needs help what will he do now??????? you have to find out!!!! >:)

It was pretty sad and I think there's too much killing just for future reference can you please add less

killing I mean stuff like PvP is ok with me but not bloody stuff or anything like that ^f

This was an ok book, unfairly short. But the thing I don't like is all the killing and stuff. Am I being picky?
