Customer Reviews

It's great to see one of the top Minecraft authors back in action again. My nephew and I have been patiently waiting for the newest book in the series and much to our delight, the wait paid off. Just like all the rest of the books in the series, this one does not disappoint. Excellent writing quality with an engaging story, which is hard to find in the Minecraft category. I just hope the next one comes out soon.

These series were my first minecart series. Like any other book, it had a great plot and fun to read. I was happy wehn I saw this book because.I actually thought you quit. Now that I know you are still writing, I'm excited for the next book.See ya Books Kid,Hyped Reviewer/MinecraftFanBoy776
