French: Beyond The Basics (English And French Edition)

Synopsis

Our best-selling language series just went Beyond the Basics! Now there's a fantastic new way for language learners to take their studies to the next level and go Beyond the Basics! Ideal for people who already have some introductory knowledge, the brand-new Beyond the Basics courses take students further in key areas, including vocabulary, grammar, culture, and natural-sounding conversational skills. Each course includes twenty lessons that feature more challenging dialogues as well as numerous examples, explanations, and practice exercises. Best of all, the packages are as compact and portable as ever! Each program comes complete with a coursebook, handy learner's bilingual dictionary, and four hours of recordings on four CDs. Available in Spanish, French, Italian, German, and *Ingles/English* for native Spanish speakers!

ISBN-13: 978-1400021680

Product Dimensions: 5.2 x 2.2 x 7 inches

Shipping Weight: 14.4 ounces

Average Customer Review: 3.5 out of 5 stars [See all reviews](#) (4 customer reviews)

Best Sellers Rank: #1,575,919 in Books (See Top 100 in Books) #54 in [Books > Books on CD > Languages > Language Instruction > Italian](#) #109 in [Books > Books on CD > Languages > Language Instruction > French](#) #443 in [Books > Textbooks > Humanities > Foreign Languages > Italian](#)

Customer Reviews

I have been using Beyond the Basics French for about a week and I've found it very useful--it is definitely worth the time and money. It is not for someone with no background (hence, their "The Basics" I'm guessing). In grad school I had twelve hours of French (six studying abroad in France) and this course has been not only a good review but has built my vocab and, thank god, explained some grammatical/idiomatic stuff that I'm sure we covered in class but that didn't quite click with me b/c I'm not wonderfully adept at learning a new language. If you've had at least 101-102 French, you should be fine with this. My only complaint is that some conversations aren't spoken slowly enough for me, but putting this on your iPod or mp3 makes it easy to back up a little bit as often as you need

to.If you don't have a great intro/intermediate French dictionary, Harper Collins' French Beginner's Dictionary is the best I've found.

Very helpful! Great review of vocabulary and verb conjugations!

Missing one CD

Our small group has practiced Lesson 1. We're happy with the book and with the CD. Although when the CD is repeated the second time at a slower rate the segments are too long.
