Chasing Serenity: A Christian Romance Novel

Synopsis

Twenty-six year old Serenity Walker is the beautiful single mom to a precocious five-year old son. Forced to deal with a deceitful boyfriend who wants nothing to do with the child they created together, she decides to raise her son alone...it's just her and God. In her attempts to carve a life for herself as a professional chef, she has no real desire for a man in her world. That all changes when she meets ex-football player Jason Bullock. Burned by a past relationship, Jason is not really looking to give his heart away again. As God would have it, that all changes when he meets Serenity. It's practically love at first sight for Jason and all out resistance for her. Jason knows their love is special. So he's willing to fight for Serenity. Even if it means putting up a chase.

Customer Reviews

I really enjoyed this novella. It was my first time to read anything by this author but I appreciated how clean and wholesome the story was. I will definitely be checking out more by Ms. Jones.

This is my first time reading a book by Taretha Jones but I enjoyed reading it. From beginning to end it kept me interested. I will be reading more of her books

Good, clean Christian fiction. Serenity's and Jason's relationship was nicely done. I very much look forward to more from this author.
