Inspirational Thoughts CD

Synopsis

There's a voice in the universe calling each of us to remember our purpose—our reason for being here now, in this world of impermanence. The voice whispers, shouts, and sings to us that this experience of being in form, in space and time, knowing life and death, has meaning. The voice is that of inspiration, which is within each and every one of us. This Inspirational Thoughts CD will lift you up daily to live an inspired life.

Not the best CD but it has some nice quotes and thoughts. The music playing in the background is a bit annoying since it plays the entire time but eventually you stop noticing it. He rambles a bit but that's what makes him so real and part of the reason I like him. It's very genuine. But, \$20 for one cd, in my opinion, is not really worth it.

Dr Wayne Dyer CDs makes my day. He lifts me & my spirit up to higher places. He changed my life for better & made me a better person. This CD is Fantastic as His other CDs. He doesn't have a bad one. I recommend them to everybody.

I enjoyed the book as it was consistent with other information that I have studied and Dr. Dyer is inspiration to his listeners.

I cannot get enough of Dr. Dyer he is fantastic!
