# Preach The Word Prophecy Conference

Synopsis

Itâ ™s hard to look at the headlines, see the continuing turmoil in the Middle East and the decline of society here in the United States, and not think that we are living in the end times.The prophetic stories of the Bible seem to be happening right in front of our eyes today as we see what is happening around the world. Scripture tells us that we do not know the day nor the hour when Christ will return, but that we should recognize the signs of His imminent return and be prepared.Youâ ™ll get keen insight into what the Bible has to say about the last days from some of the top Bible prophecy scholars in America, including Tim LaHaye, Joel Rosenberg, and Lt. Gen. William Boykin (ret.). Youâ ™ll also learn how we as Christians should approach these final days before the return of Jesus Christ.This conference is not just for scholars, but for everyone who sees what is happening in the world today and wants to know more about what is in store as Christâ ™s return draws near.

Customer Reviews

For those interested in Biblical prophecy, the time taken to listen to this I found to be interesting and informative. To those who do not have this interest, it could prove to be somewhat disturbing to learn about events foretold in the Bible through the viewpoint of another human.

Fabulous teaching, great speakers, have listened to this CD over and over again. Would recommend this to everyone who is interested in Biblical Prophecy
