The Bonhoeffer Reader

Synopsis

For the first time, a representative collection of all Bonhoeffer's theological works is available in a single volume, edited by Bonhoeffer scholars Clifford J. Green and Michael P. DeJonge. The Bonhoeffer Reader follows on the heels of the newly completed 16-volume Dietrich Bonhoeffer Works English Edition (DBWE), a major 25-year translation project supported by the International Bonhoeffer Society and published by Fortress Press. From this massive collection of books, lectures, articles, letters and sermons, about 800 pages of all Bonhoeffer's key theological writing have been chosen to reveal his central theological ideas and their development. The Reader is formatted so that students can easily go back to the original DBWE volumes and all the additional resources included in them, making it easier than ever to pursue a more comprehensive study of Bonhoeffer's brilliant theological career.

Book Information

Paperback: 832 pages

Publisher: Fortress Press (November 1, 2013)

Language: English

ISBN-10: 0800699459

ISBN-13: 978-0800699451

Product Dimensions: 5.9 x 1.7 x 8.9 inches

Shipping Weight: 2.4 pounds (View shipping rates and policies)

Best Sellers Rank: #225,102 in Books (See Top 100 in Books) #212 in [Books > Christian Books & Bibles > History > Historical Theology](#) #1264 in [Books > History > World > Religious > Christianity](#) #1286 in [Books > Christian Books & Bibles > Churches & Church Leadership > Church History](#)

Customer Reviews

I have read many books about Bonhoeffer's life and have come across quotes from many of his writings, but must confess that I've never actually read much of his writings...his own words.

Fortress Press has made it easy to do that now with their offering of The Bonhoeffer Reader. According to Michael P. DeJonge, in a Q&A with Patheos Book Club, "The very things that make DBWE the definitive resource for scholars might not suit the general reader interested in Bonhoeffer the theologian, the beginning student of Bonhoeffer, or readers of recent Bonhoeffer biographies who might want to go deeper. The Bonhoeffer Reader is designed for such an

audience. It collects a significant and representative range of Bonhoeffer's theological writings in one convenient and affordable volume."According to Clifford J. Green, in that same Q&A with Patheos, the most notable features in the book are: "In one volume, Bonhoeffer's essential theological writings are collected together. The concise editorial introductions to each of the selections are invaluable, setting each selection into Bonhoeffer's life and providing historical context for his writing and its theological significance. Also, the selection of writings in The Bonhoeffer Reader represents the whole Bonhoefferâhis groundbreaking dissertations, his biblical interpretation (e.g. Discipleship), and his provocative Ethics and theological letters from prison. But we did not want to overwhelm readers with scholarly details, so we pruned notes with technical information available in DBWE, and added some notes to further clarify the text. And for those who wanted to work on the German Church Struggle and the Resistance conspiracy, we provided an appendix of resources; there's also an extensive bibliography.
