Sherlock Holmes Essentials, Volume 2 (Six Full Cast BBC Radio Dramas)

Synopsis

Arthur Conan Doyles fictional detective is one of the most enduringly popular sleuths of all time. This value priced six-story audio series (Volume Two) is again created by the same team of directors, producers, dramatizers and leading actors, including Clive Merrison as Holmes and Michael Williams as Watson. --The stories performed here are: The Five Orange Pips; The Reigate Squires; The Final Problem; The Second Stain; The Bruce-Partington Plans; andÂ The Devils Foot.

Customer Reviews

It was as good as volume 2. A great group of actors performing various parts. The sound quality was clear and crisp. A fine value for the money.

These versions of the Holmes stories are among the best that were produced for radio. They are well written and excellently acted.

I love pretty much all of the variations of the Sherlock Holmes classics, but this one was dry, my fault though, I did not read that itwas from a BBC radio series.It's not as good as the audio books narrated by Simon Prebble, there's too much of a "in a can " effect that makes it more annoying to listen to, would have been better if done in a more sound buffering setting.

Good quality
