## Customer Reviews

I found the overall quality to be very good. The only way I would improve it would be to have either Basil Rathbone or Nigel Bruce do the reading.

My husband requested an audio edition of fiction by Sir Arthur Conan Doyle. This collection arrived a few days after I ordered it from . It is a wonderful reading of several of Doyle's Sherlock Holmes stories. David Timson is a masterful reader who creates a mood and makes each character recognizable. For my part, I recently purchased a CD Walkman, and now I can go about my chores while enjoying classic mysteries.

A true fan of Sherlock Holmes will enjoy the great story of The Speckled Band this is a nice adventure and a very nice story

My review for this story is that i really like this book alot.The two best things about this story is the suspense and mystery ,you can't wait to see what happens next.I also like the way the detective the

hero Mr. Holmes always finds out what happens.
