Black? White! Day? Night!: A Book Of Opposites

Synopsis

Laura Vaccaro Seeger's *Black? White! Day? Night!* is a sensational lift-the-flap concept book that explores opposites in new and exciting ways! Each page of this book offers a flap that reveals a picture, but lift the flap and the picture is transformed into an entirely different image--in each case, the opposite of what came before. Thus, black becomes white, sad becomes happy, and simple morphs into complicated. This title has Common Core connections.
