Crafty Nicole than you for writing these amazing books! I am very grateful that you write these books.SOO CHEESY!!!! I love them.

Angry Alex has moved on to a third book! Yay! Now it is not only Steve who is annoying, its those darn villagers! Will Alex get rid of the pesky big-nosed NPCs once and for all? Read the book to know more.

Lots and lots of misprints and poor word usage. It looks as though it was hastily written then run though the spell checker. Story is not that entertaining or clever. I guess the author realized there was money to be made off of Minecraft books, so they pounded a few out and...profit! Nice racket, but not a good quality product.

I really liked this book, it's good because she's not trying to kill steve. It a different story line, with the same characters. Laughed all the way through, and couldn't put it down. This is another really great book -bbear2K

Minecraft tales 33, this is another great book! I have a suggestion: Mabe Alex can acually do what Steve says but never comes back to make Steve regret for ever being mean to her. Good luck one the next book!
