Little Red Riding Hood, Grades PK - 3: Caperucita Roja (Keepsake Stories) (English And Spanish Edition)

Synopsis

English-Spanish Version In this beloved tale, Little Red Riding Hood is uneasy when her grandmother looks suspiciously like a sly wolf that she met along the way. Children will eagerly continue reading to see what will happen when the wolf shows how big and sharp his teeth are! Between the pages of the Brighter Child(R) Keepsake Stories books are the classic tales of magic, imagination, and inspiration that will delight children again and again. From the hard-working Red Hen to the foolish Gingerbread Man, these stories will capture children's interest and spark their imagination page after page, inspiring a lifelong love of literature and reading. Each book includes 32 pages of fresh, captivating illustrations, and measures 8" x 8".

Grade Level: Preschool and up

Customer Reviews

I bought this book for my three-year-old daughter who loves bedtime stories. I like to read to her Spanish books so she can learn a second language. She is able to understand the story and answer all my questions. The book has big colorful images and is very easy to read. I highly recommend this book.

Trying to fill in a unique review when you purchase a series one by one for your wife's classroom

makes for an interesting challenge. But thankfully saying the same thing in as many different ways as is creatively possible is task I enjoy figuring out. Great reads in any language... and then add it into a classroom setting and you find the break from the monotony of textbook and lecture and notes that the kids will adore and relish. Even in the high school range, these books really offer a great tool for reaching your students or kids.

I can't believe they changed the story to make it PC. The wolf doesn't try to eat the grandma or the girl, there is no hunter to come save them. The wolf just runs away ashamed when the girl finds out he's not the grand ma? So what is the moral of the story supposed to be? I bought this version because of the bilingual text, but I have to say that even my 3 year old thought the story didn't make sense.

Adorable, love the modified story

Excellent book for young children who are learning both English and Spanish, as is our granddaughter. It is a classic and it is fun to see it in Spanish as well as English.

It was a gift for a friend's daughter. They seem really excited about reading it together. Great idea for learning spanish/english in family
