Customer Reviews

We got a couple of these Rockabye albums when our daughter was a baby and some of the artists translate better than others to lullabies. The compilation is an excellent assortment and a gift that will get a laugh and be used.

We love this Rockabye Baby CD. The music is very relaxing and calming. If my baby could talk, I know he would say that he likes it too. I plan on buying more music from this series.

What a great mix! I love all of these classics, and to have them as lullabies my baby can enjoy is so fun!
