Customer Reviews

I drive for Uber and I was looking for something that would explain how to make quarterly self-employment taxes and how to ensure I got (and paid) Social Security credit. This book was utterly useless and after flipping through it, I sent it back for a refund. If you've been in business for a while, this might help you. But for those of us with no business background (I'm a retired high school teacher), this book just did not meet my needs.
